# EDUCATION AND LEARNING AT THE EUROPEAN PARLIAMENT

FREE

The European Parliament welcomes visitors of all ages. In this leaflet, you will find information about services and resources that are available for educators that support the standard offer for visitors in Brussels and Strasbourg.

In Brussels the standard offer features three facilities: the *Hemicycle* that is used for debating and voting, the *Parlamentarium* visitors centre and the museum, the *House of European History*. In Strasbourg, visitors are able to see its *Hemicycle* and the *Parlamentarium Simone Veil* in a combined visit.

Educators can also take advantage of the network of *European Parliament Liaison Offices* in major cities around Europe. The offices organise events and provide materials about the European Parliament, and some even include the *Europa Experience*, a unique exhibit that lets visitors find out about European politics in an interactive and dynamic way.

Unless specified otherwise, all the information about visiting the European Parliament, including bookings, can be found online:
